

CONTRACT FOR EMBRYO FLUSH AND TRANSFER

This agreement for Embryo Flush and Transfer is made between Jan Martin Equine Management, hereafter known as "JMEM", and the mare owner or lessee, _____ hereafter known as "Owner".

JMEM agrees to the following:

1. To attempt recovery of embryo(s) from the mare _____ hereafter known as "Donor Mare"

Breed/Reg. No. _____ Age _____. Recovered embryos considered suitable by JMEM will be transferred by non-surgical technique to the reproductive tract of a synchronized recipient mare.

2. The Donor Mare is to be bred to the stallion _____ for 1st pregnancy
stallion _____ for 2nd pregnancy
stallion _____ for 3rd pregnancy

3. To provide recipient mare and pay all expenses associated with maintaining said recipient mare until a 36 day pregnancy has been established.

4. To exercise good judgement in the care and supervision of recipient mare and her offspring.

The Owner agrees to the following:

1. To pay JMEM a \$1,000.00 entry fee at the signing of this contract for the 2021 breeding season. The entry fee is non-refundable and non-transferable. The entry fee covers the non-surgical embryo recovery and transfer of recovered embryos from the Donor Mare for up to three estrous cycles within the breeding season for one pregnancy. The breeding season is February 10th through August 1st unless otherwise mutually agreed upon. Performance of these procedures on subsequent cycles will be charged at \$350.00 per cycle.

2. To pay the balance due of \$3,000.00 upon confirmation of a 36 day pregnancy in the recipient mare that has received the embryo from the Donor Mare. Should multiple embryos be recovered from one flush each additional 36 day pregnancy will cost \$4,000.00.

3. After 36 days of gestation it is the Owner's responsibility to board and care for the recipient mare throughout the balance of gestation and nursing of the resulting foal. When the recipient has been confirmed pregnant at day 36 of pregnancy she can be picked up or board will be charged at \$20.00/day outside. Regarding recipients boarded with JMEM, all attempts will be made to discuss treatment options if the recipient experiences colic at the number(s) listed below. Should contact not be established Owner wishes to do surgery at a cost of \$10,000.00 on the pregnant recipient... Yes or No (circle one).

4. JMEM and its employees will not be held responsible for accidents, injury, sickness or death of the recipient, her in utero foal or her offspring. Once the recipient is 36 days in foal Owner authorizes and agrees to pay for any veterinary services necessary or proper for the recipient(s), her in utero foal or her offspring's health.

5. At the discretion of JMEM recipient mares are administered Regumate® to enhance pregnancy maintenance. After 36 days of gestation if it is determined this treatment should continue Owner would be charged \$6.00 per/10cc/day of treatment while at JMEM.

6. JMEM retains ownership of recipient mare. Recipient mare must be returned to JMEM at Owners expense, in good condition, when the mare weans her foal and before December 1 on the year of foaling. **If recipient mare is not returned to JMEM as agreed, Owner agrees to pay JMEM \$5,000.00 replacement cost. Recipient mares are not for sale.** Should Owner elect to pick up recipient mare, all liability for said recipient mare would be that of the Owner during the time period that they have possession of said recipient mare.

7. Owner is responsible for all Breed Registry rules and regulations.

8. Owner is responsible for any insurance desired on the pregnant recipient, her in utero foal or her offspring. Any insurance requested will be put in writing to JMEM and acknowledged by JMEM. Insurance will be requested for the resulting recipient and her in utero foal for the Donor Mare... Yes or No (circle one).

9. All charges will be paid in full before removing the pregnant recipient(s) or Donor Mare. Accounts are payable within 30 days of monthly invoice. Past due accounts will bear interest at a rate of 1.5% per month on any outstanding balance. Owner will pay all costs and attorney fees incurred by JMEM in attempt to collect any outstanding balance.

Additional Provisions:

- JMEM reserves the right to discontinue embryo transfer service at its discretion.
- This contract does not constitute a live foal guarantee.
